

## Chien-Yuan Lin

clin8@ncsu.edu

### NSF project

- PO genes regulation study in *P. trichocarpa*

### Education

Ph.D.	North Carolina State University (NCSU)	North Carolina, USA
01/11 – present	Forestry Department	
	❖ <i>P. trichocarpa</i> transformation for gene expression	
	❖ Lignin biosynthesis gene regulation study	

M. S.	National Taiwan University (NTU)	Taipei, Taiwan
09/07 – 06/09	Institute of Microbiology and Biochemistry	
	❖ Thesis: “Liver specific and inducible expression of HBx promotes tumorigenesis in zebrafish”	

B. S.	National Taiwan University (NTU)	Taipei, Taiwan
09/03 – 06/07	Department of Life Science	

### Experience

01/08 – 06/08	Graduate Teaching Assistant	
	Institute of Microbiology and Biochemistry, NTU	Taipei, Taiwan
	❖ Assisting microbiology Laboratory	
	❖ Teaching materials and instruments preparation	
	❖ Supervising college student laboratory courses
